WHY STOCKPORT RUFC?

READ ON

Our thriving Mini & Junior Section, which is one of the strongest in Cheshire, runs **11 teams**, from 6 year olds to 17 years old, .

We have fully **qualified RFU coaches**, in every age group who will teach you the game, starting with 6-8 year olds playing 'tag' rugby, progressing every year as new skills are gradually introduced, through to 13 years when nearly all the laws of rugby apply.

Whatever age you start we'll look after you, teach you the game and make sure you have **SAFE FUN**, so you don't need to have played before. No matter what size or shape you are there is always something to do in a game of rugby.

You'll make lots of new friends, and remember...**Rugby friends are friends for life.**

We'd be delighted to see you. We train on Sundays and play a game against other clubs every one to three weeks. **Girls can play** in the same team as boys up to age 12.

You're sure of a warm welcome. Every one of our **300+** Minis and Juniors are made to feel very special.

You can use our club-house, its changing rooms, showers and bar. You'll be given a **hot dog or burger** on match days and there are plenty available to buy on 'training' Sundays as well.

We're local ! Come down and see us at **Headlands Road**, Bramhall, off Bridge Lane. (Directions on the back page)

The season starts on the **first Sunday in September** and we'll be there from 10.30 am every Sunday through to the end of April

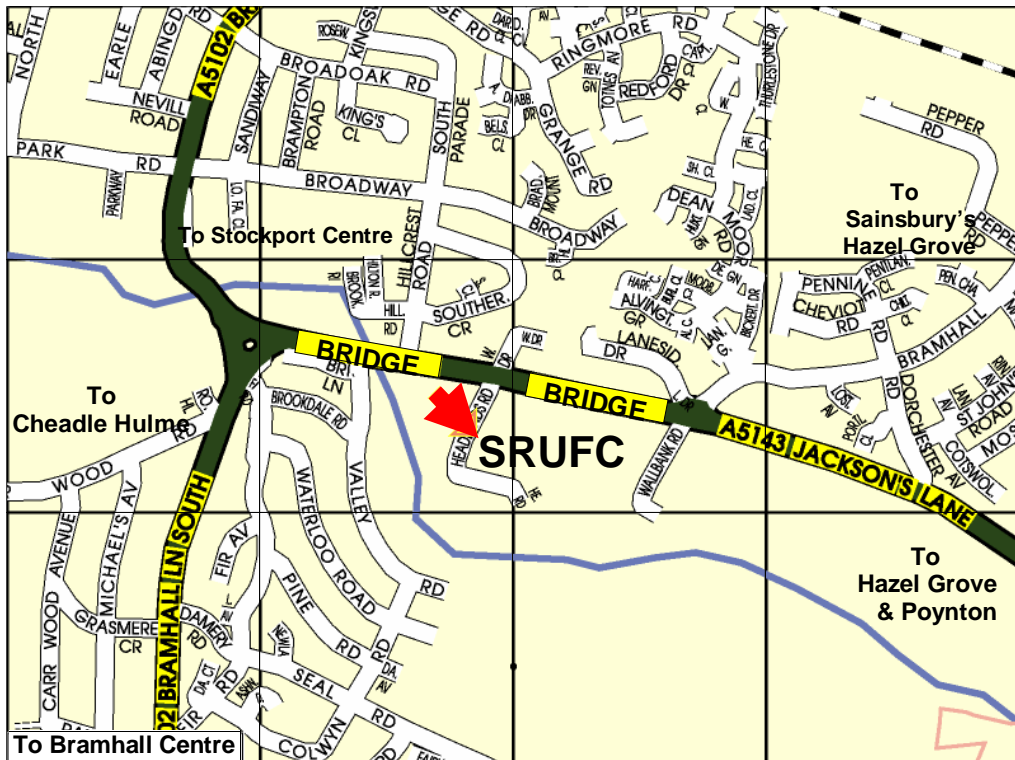

**Give us a ring if you have any questions.
We'll be happy to hear from you...**
